ApkStart is a website that allows users to download APK mode from a wide range of choices for different Android games. The site offers a popular and updated version of the APK file. Build the best harbor and get your money! Easy and amazing incremental game! Ahoy, Mathis! Do you like boats, harbors and trips? Have you always wanted to be a successful entrepreneur? Become your own boss and become a port tycoon! Build your own harbor, buy new boats, yachts, ships. Research new transportation technologies to become the world's leading port tycoon! Take care of the passengers and give them the best sea voyage. Happy tourists bring in more money to develop new improvements to the pier and fleet. You can upgrade your pier facilities and services to create the most popular port in the world! Create a business strategy that helps your transportation business thrive while making passengers happy and increasing revenue. It should be invested in the research department as it will help you improve port service and create the most popular port among tourists. Hire the best sailors and captains for boats and ships, and cruise from your port, convincing passengers to start their journey! But the fun doesn't end there! Continue your chaebu adventure by selling ports and building new ones. You restart, but this time with all the business know-how previously acquired. The new port will be more profitable thanks to its faster growth and accumulated experience. It will also get investors for new ports that will increase revenue. Smart Harbor managers always make smart decisions. Decide which new services to use and buy new boats, and choose ships to improve your fleet and docks. Earn more money by unlocking new designs and bigger boats. Upgrade your little pier to a huge pier and conquer the sea! If you like incremental and remerclick games, you'll love idle harbour tycoons. Like other remote control games, there's always work to be done, from researching new technologies and buying better boat fleets to improving port services to attract tourists. You can also sell the port and restart (the reputation) with all the management experience you've previously acquired, which will help you make more money with the new port. Features: – Easy game for all players – Tons of

challenges at every level - Amazing skills - Unique items to improve port facilities - Extensive boat fleet - Fun animations and great 3D graphics - Save your progress to the cloud and recover as you change devices.
